

## Turkey – The Scientific and Technological Research Council of Turkey (TUBITAK)

### Who can apply?

Higher education institutions, training and research hospitals, public research centers and institutes, companies located in Turkey (private organizations) can apply for funding under TÜBİTAK 1071- The Support Programme for Increasing the Capacity to use International Research Funds and to Join International R&D Cooperations.

### Funding Rates

The maximum funding per project is 720.000 TL (total for three years) to be shared between participating Turkish partners. This amount includes the scholarship payments, however, it excludes payments to the Project Incentive Bonus (PTİ) and institution shares.

Higher education institutions, training and research hospitals and public research centers and institutes will be supported by 100% support rate. In private organizations, the support rate is applied to 60% of the budget of large-scale organizations and 75% of the budget of SMEs.

### Eligible Costs

The personnel costs, travel costs, consultancy and service purchase costs, equipment, machinery, equipment, software and publication purchase expenses and material and consumable purchase costs are eligible for higher education institutions, training and research hospitals, public research centers and institutes and for companies in Turkey (private organizations) For the detailed information at <https://uidb-pbs.tubitak.gov.tr>.

The online national application is compulsory and will be received online until **18 June 2019** (in parallel to the one on PT-Outline) Please see the application address and the detailed information at <https://uidb-pbs.tubitak.gov.tr>

### Important Note:

National applications to TÜBİTAK can only be made by using electronic signature. The persons who are included in the project team and all executive / participant institutions should have qualified electronic certificate (e-signature).
