# CONCERT JAPAN

Connecting and Coordinating  
European Research and Technology Development with Japan

SF.BOO P VO FNFOU!

b! !FJ! PO FSU.Kb b @

CONCERT-Japan is an international joint initiative to support, coordinate and enhance science, technology and innovation (STI) cooperation between European countries and Japan. It began as an ERA-NET project funded by the EU FP7 (2011-2014), and is now implemented independently of EU support as an activity of the **F b! J f f ! H !** (EIG: a flexible and inclusive communication platform for European and Japanese funding agencies).

**B ! g f!K ! b !**

The overall aim of this call is to support scientific research to further the development of more efficient, reliable, secure, flexible and sustainable technologies in energy storage systems and distribution of electricity.

## “Efficient Energy Storage and Distribution” Joint Call:

**! !cf! b d fe!**

The topic scope is inclusive of all related areas from stationary applications for smart energy grids to mobile applications for transportation.

**e !**

Research projects with **b ! b f!e f !** will be funded for a period of **! fb !** in the field of Energy Storage and Distribution. The research projects are expected to have **c !** and **f h!e f** apart from the core research component.

Each project consortium applying for this call should consist of at least **! b f !2g !Kb b !b e!3!g ! !e g f !F fb ! d f** participating in the call.

The Joint Call will be funded by the budget allocated by each participating national/regional funding institutions. Therefore, each participating funding organization reserves the right to apply its national/regional funding regulations.

**f b!G e h!J !**

Participation of funding Institutions is not definitive until the launch of the call. It is possible that some Institutions may be added to this list or some Institutions may be removed from this list.

The Joint Call Text and Submission process will soon be published on the EIG CONCERT-Japan website : [concert-japan.eu](http://concert-japan.eu)

For more information on the EIG CONCERT-Japan, feel free to contact the Joint Call Secretariat.
